## Junior Super Sporting Awards

Open to all Junior Sporting Teams Australia Wide – 17 years and younger.

A perfect opportunity to recognise our junior sports players, clubs and coaches.

Dental Corp & MAEF have joined forces to present the Junior Superstar Sporting Awards.

Dental Corp is committed to dental health around Australia; in particular the safety aspects of having correctly fitted mouth guards and general dental care.

Weekly results/best players and sports stars of the month nominees will be posted on the MAEF website.

Dental Corp and MAEF are keen to promote junior sport by recognising sporting achievements with a Sport Star of the Month Award and at the same time support Australia's young writers.

'The Sports Awards are a perfect opportunity to acknowledge the effort and time people put into their sport.' Dental Corp Australia.

The Sports Awards recognise Sporting Clubs in the following categories -

Junior Sports Person of the Month  
Team of the Month  
Coach of the Month

### How it Works

Clubs email their teams' game results/scores and the three best players each week to MAEF. They also can nominate up to three players each month for the award and a panel of sportspeople choose the Sport Star of the Month in each sport who will receive a trophy and become eligible for the Sport Star of the Year Awards.

All nominees will receive a merit certificate signed by a high profile sports person in their particular sport

Monthly award winners from each sport will be presented at a local club in your area following the announcement of the Monthly Award Winner.

Winners of each category are announced each month at the Sports Award of the Month Presentation, which is held on the last Thursday of every month.

All of the 'Sports Stars of the Month' winners are then invited to the Annual Sports Award Gala Presentation Evening held in February of each year. At this presentation overall winners for the respective year are awarded.

The annual Sports Gala Presentation is scheduled for February 2014, at venues to be decided.

**There is also an opportunity for a local Sports Game of the Week article to be written by a Junior Sports Writer and for it to be posted on the website.** MAEF and Dental Corp see this as a great opportunity to encourage young writers around the country. Online training and support will be provide to each of the club's young writers who will receive a special sports pack and/or tablet for their services to the community from each club.

### How to be Involved

Clubs email their interest in participating and set up for weekly results to be posted on the MAEF website, they also fill in an online Sports Star of the Month nomination form. The nomination will be confirmed by email to both the nominator and the junior sports person.
